

VISION INSURANCE

Cigna

Driving to work, reading a news article, and watching TV are all activities you likely perform every day. Your ability to do all these activities, though, depends on your vision and eye health. Vision insurance can help you maintain your vision as well as detect various health problems. Rolfson Oil's vision insurance entitles you to specific eye care benefits. Our policy covers routine eye exams, other procedures and provides specified dollar amounts for the purchase of eyeglasses or contact lenses.

For a complete list of your in-network and out-of-network benefits, please refer to your Vision Insurance Summary Plan Description, provided by Human Resources.
