

SUPPLEMENTAL LIFE / AD&D INSURANCE

GUARDIAN

While Rolfson Oil and Guardian offer basic life insurance, some employees may want to purchase additional coverage. Consider your personal circumstances. Are you the sole provider for your household? What other expenses do you anticipate in the future (for example, college tuition or home mortgage)? Depending on your needs, you may want to consider buying supplemental coverage.

The company also provides benefit-eligible employees the opportunity to purchase Voluntary Life/AD&D Insurance coverage. Employees may also choose to purchase Life/AD&D Insurance for their spouse and dependent child(ren). The premium for this additional coverage is 100% paid for by you and is offered at negotiated group rates through the company. These rates may be challenging to obtain on your own.

NEW HIRE NOTICE – If you are a new hire, this is your chance to receive Guarantee Issue for yourself and your dependents. If you do not take advantage of this benefit now, but then wish to enroll later, you will be subject to evidence of insurability (answer medical questions).

Life insurance

If something happens to you, life insurance can help your family reduce financial stress.

Life insurance helps protect your family's finances by providing a cash benefit if you pass away. This ensures that they'll be financially supported, and can cover important things from bills to funeral costs. With life policies, you can get affordable life insurance protection for a set period of time.

Who is it for?

Everyone's life insurance needs are different, depending on their family situation. That's why group life insurance through an employer is an easier and more affordable option than individual life insurance.

What does it cover?

Life insurance protects your loved ones by providing a benefit (which is usually tax-exempt) if you pass away.

Why should I consider it?

Life insurance is about more than just covering expenses. Depending on your circumstances, it could take your family years to recover from the loss of your income.

With a life insurance benefit, your family will have extra money to cover mortgage and rent payments, legal or medical fees, childcare, tuition, and any outstanding debts.

Guardian, its subsidiaries, agents, and employees do not provide tax, legal, or accounting advice. Consult your tax, legal, or accounting professional regarding your individual situation.

You will receive these benefits if you meet the conditions listed in the policy.

Preparing and planning

Jorge's never considered purchasing life insurance, but after being offered it through work, he decides it's a smart way to protect his family.

Jorge has a mortgage, and because his wife is helping to take care of her mother, she only works part-time. In addition, his daughter is about to start college.

Jorge looks at how his family would be affected by losing him.

Average funeral cost: **\$9,000**

Average mortgage debt: **\$202,000**

Average cost of college: **\$17,000 - \$44,000**

Average household credit card debt: **\$8,500**

With life insurance, Jorge can make sure that part of these costs are covered if something happens to him.
